Procedures

1. If the fire alarm sounds, we will exit the classroom and then proceed to exit the building through the west exit. The _____ to reach the door holds the door until everyone has exited the building. If you come to the door and it isn't being held open, it is your responsibility to hold it open. This applies to both leaving and entering the building.
2. During a _____, Mr. Christen will shut the door and we will huddle in the Northeast corner of the room. This is to stay out of sight of the door's window.
3. If we have a tornado drill, we will exit the classroom and then proceed to the gymnasium's south hallway where you will sit with your back to the wall.
4. The class will not be dismissed if anyone is not in their seat when the bell rings. If someone is not in their seat, the class will stay until everyone is seated. If you leave before being dismissed, you will be sent to the office for disciplinary action the following day.
5. _____ will correct their own assignments whether the answers are given verbally or on the overhead
